

# SELECT Leasing Agent Overview

**SELECT for Leasing Agents** is a short survey that measures personality characteristics that have been found to predict job effectiveness for leasing personnel in the rental property industry.

SELECT for Leasing Agents identifies candidates who will be positive service providers and be able to influence people to lease or rent apartments. It also helps you to identify those applicants with low integrity and who are poorly suited for these types of roles.

**What Does It Measure?** The two central indices are Integrity and Performance. The Performance Index has been validated to predict the traits associated with successful performance on the job. The Integrity Index has been validated to predict the attitudes, personal integrity, and work ethic in relation to being effective on the job.
